# **School Board Approval**

A "Record School Board Approval Date" tracking event has not been added this plan. Add this tracking event with the board approval date in the notes field to update this section.

# **SIP Authority**

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parents), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), https://cims2.floridacims.org, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for:

- 1. Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and
- 2. Charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP SECTIONS	TITLE I SCHOOLWIDE PROGRAM	CHARTER SCHOOLS
I.A: School Mission/Vision		6A-1.099827(4)(a)(1)
I.B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)	
I.E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II.A-E: Data Review		6A-1.099827(4)(a)(2)
III.A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III.B, IV: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
V: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. The printed version in CIMS represents the SIP as of the "Printed" date listed in the footer.

Printed: 10/17/2024 Page 2 of 38

## I. School Information

## A. School Mission and Vision

## Provide the school's mission statement

The mission of Kingsway Elementary School is to provide a safe, student-centered environment that empowers students to become responsible, life-long learners.

## Provide the school's vision statement

Success for all!

# **B. School Leadership Team**

**School Leadership Team** 

## Job Duties and Responsibilities

Assist the principal by: ensuring staff and students have a safe learning environment that fosters student success. Develops plans that address the needs of all students. Leads the PEFP, PBIS, and Action teams. Monitors Collaborative Planning and offers guidance. Supports teachers with disciplinary concerns. Responsible for all disciplinary incidents. Empowers a positive school culture and community that promotes continuous growth. Provides professional leadership daily. Collaborates and communicates with all stakeholders effectively. Develops schedules that maximize instructional time. Frequently monitors and analyzes data. Organizes state testing. Observes and evaluates teachers' instructional practices. Leads and participates in meetings/ professional development.

## **Leadership Team Member #3**

## **Employee's Name**

Danielle Basora

## **Position Title**

Lead Teacher

## Job Duties and Responsibilities

Models and instructs lessons in teachers' classrooms. Offers assistance in teachers' instructional needs to promote growth and learning. Provides Professional Development that aligns with district, school, and state initiatives and goals. Analyzes and monitors school-wide data. Leads meetings in a professional manner. Assists in TST meetings specifically for ELA. Tier intervention support for Math. Assists with the implementation of best practices. Offers support and coaching daily. Organizes instructional rounds. Partakes and leads school-based meetings and professional development.

## **Leadership Team Member #4**

## **Employee's Name**

Melissa Abreu

## **Position Title**

Math Coach

## **Job Duties and Responsibilities**

Models and instructs lessons in teachers' classrooms. Offers assistance in teachers' instructional needs to promote growth and learning. Provides Professional Development that aligns with district, school, and state initiatives and goals. Analyzes and monitors school-wide data. Leads meetings in a professional manner. Oversees our MTSS process specifically for Math. Tier intervention support for Math. Assists with the implementation of best practices. Offers support and coaching daily. Organizes

instructional rounds. Partakes and leads school-based meetings and professional development.

## **Leadership Team Member #5**

**Employee's Name** 

Kim Kirkpatrick

**Position Title** 

MTSS Coach

## **Job Duties and Responsibilities**

Collect and analyze multiple sources types of data to improve student learning. Facilitate effective team-based collaborative action planning and problem-solving processes inclusive of family, student, school, and community stakeholders. Disseminate evidence-based content knowledge including, but not limited to, organizational change/implementation processes, MTSS/EWS and PBS knowledge and expertise, and best practices in reading, math, science, and behavior instruction. Facilitate and support targeted student interventions to implement and sustain MTSS/EWS and PBS processes at the individual student, classroom, and school-based levels. Perform Medicaid administrative claims reimbursable activities as directed in accordance with Chapter 3 of the federally approved School District Administrative Claiming (SDAC) Guide. Provide evidence-based professional development training, instructional coaching, and technical assistance to support data-based problem solving. Utilize data to inform ongoing school-based professional development, technical assistance, and coaching so as to improve the fidelity of MTSS/EWS and PBS implementation processes at the school level.

## **Leadership Team Member #6**

**Employee's Name** 

**Damion Williams** 

**Position Title** 

School Counselor

## Job Duties and Responsibilities

Engages in mental health promotion and education for staff and students.

Assists with the provision of resiliency education, civic and character education, and life skill education in the classroom and school setting. Applies counseling skills when delivering evidence-based, direct and indirect services to individual students and groups. Utilizes state, local school board, and governing board policies and procedures to make appropriate community-based referrals. Conducts risk and threat assessments in collaboration with other school-based mental health staff for students in crisis. Participates as a collaborative member of the school-based

Printed: 10/17/2024 Page 5 of 38

threat management team. Provides school-based crisis intervention in collaboration with other school-based mental health professionals. Gathers and synthesizes data from a variety of sources to inform the School Counseling Program. Maintains high visibility and accessibility, and actively listen to and respond to parents or guardians, students, district and school personnel and community partners. Participates as a collaborative member of the school-based Multi-tiered System of Support (MTSS) team. Supports students who are identified as at-risk based on Early Warning Sign (EWS) indicators, to include academic, attendance, and social/emotional/behavioral concerns. Facilitates initial, annual (as needed), and 504 re-evaluation meetings. Assists with English Language Learner (ELL) compliance as needed. Documents school counselor interventions and and completes required forms and maintains records and reports to meet all local and state guidelines.

## **Leadership Team Member #7**

## **Employee's Name**

Vicky Daly

#### **Position Title**

School Social Worker

## **Job Duties and Responsibilities**

Mental Health team member. Monitors school attendance. Offers family support. Communicates and collaborates with all stakeholders. Organizes shoes and food donations. Partakes in student and homeless services. Supports teachers in meeting students' needs. Offers social and emotional support to students. Conducts risk and threat assessments.

## **Leadership Team Member #8**

## **Employee's Name**

**Dawn Pressley** 

#### **Position Title**

**ESE Liaison** 

## Job Duties and Responsibilities

Provides ESE support to teachers. Creates IEP plans with staff and facilitates IEP meetings. Partakes in school-based meetings/PD. Supports and coaches teachers in our MAC unit and ESE teachers. Leader of CPI.

## **Leadership Team Member #9**

## **Employee's Name**

Stephanie Hohmann

Printed: 10/17/2024 Page 6 of 38

# Position Title Behavior Specialist Job Duties and Responsibilities Provides behavioral support to teachers. Creates plans that align with students' needs (BIP).

## C. Stakeholder Involvement and Monitoring

## Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders [including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders] and how their input was used in the SIP development process. (ESEA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

We believe collaboration is vital for school success. Our leadership team participated in district-led professional development including the new CIMS format, root cause analysis, analyzing data, goal setting with action steps, and review of previous goals. We identified the person responsible for each area by their job roles within our leadership team and how they would be tracking the implementation of each action step. We've added some key team members who will help the success of our school. The SIP plan will be presented to the Instructional Leaders for feedback then to the School Advisory Council for feedback. Any edits will then be made before submitting the plan. The final plan will be shared with all staff and families.

## **SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the state academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan with stakeholder feedback, as necessary, to ensure continuous improvement. (ESEA 1114(b)(3))

The SIP plan gets reviewed at least twice with the district. As a school, we meet regularly to review our progress toward meeting our goals. We share important data from all district formative and state assessments. We spend time analyzing our data weekly during collaborative planning sessions. Our leadership team will speak on the SIP plan at least once a month during our CORE meetings. Our leadership members who have an active part in our SIP will share their monitoring pieces with their teams. Our CORE team will offer suggestions, as needed. Our PPC reviews our SIP to make sure it aligns with our focus for the year. Committees and PLCs will discuss the SIP progression after each progress monitoring window that is provided by our district/state. All students' data will be reviewed and changes will be made if improvement is needed. In the middle of the year, we will evaluate our progress toward our end-of-year goals. We will do this at our district MOY SIP meeting, PPC, staff,

# E. Grade Level Data Review – State Assessments (prepopulated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students

tested or all tested students scoring the same.	

# **III. Planning for Improvement**

## A. Data Analysis/Reflection (ESEA Section 1114(b)(6))

Answer the following reflection prompts after examining any/all relevant school data sources.

## **Most Improvement**

Which data component showed the most improvement? What new actions did your school take in this area?

7 pts growth in ELA Achievement for 3rd grade. Tier 1 instruction implemented with fidelity and interventions for T2 and T3 were targeted and were taught by reading endorsed teachers.

#### **Lowest Performance**

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

36% proficiency in Science, down 21 points.

5th grade had two brand new teachers for Math/Science and both struggled with classroom management and struggled with FL standards. Both of these teachers have left the school.

#### **Greatest Decline**

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Science, down 21 points.

5th grade had two brand new teachers for Math/Science and both struggled with classroom management and struggled with FL standards. Both of these teachers have left the school.

## **Greatest Gap**

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Science 36% (state was 56%).

5th grade had two brand new teachers for Math/Science and both struggled with classroom management and struggled with FL standards. Both of these teachers have left the school.

#### **EWS Areas of Concern**

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

134 students are level 1 on the statewide assessment for ELA.

## **Highest Priorities**

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Printed: 10/17/2024 Page 23 of 38

## Charlotte KINGSWAY ELEMENTARY SCHOOL 2024-25 SIP

Improve ELA proficiency through rigorous T1 instruction
Improve Math proficiency through rigorous T1 instruction
Improve Science proficiency through rigorous T1 instruction
Improve Proficiency for SWD through rigorous T1 instruction and targeted interventions.
Improve attendance - currently 105 students absent 10% or more

Printed: 10/17/2024 Page 24 of 38

## B. Area(s) of Focus (Instructional Practices)

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

## Area of Focus #1

Address the school's highest priorities based on any/all relevant data sources.

## Instructional Practice specifically relating to Professional Learning

## **Area of Focus Description and Rationale**

Include a description of your Area of Focus, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

Our area of Focus is to continue to strengthen our teacher's ability to plan for, and deliver rigorous instruction so all students, including students with disabilities, master grade level standards and accelerate learning to close the achievement gap. Our data indicates we need to improve instructional practices, including: routines and procedures, PBIS, rigor/relevance/relationships, and Hattie high impact strategies.

This year, we plan to continue our collaborative planning work and add a focus on professional learning based on on-going needs. Walkthroughs will continue to determine PL needs as will staff surveys.

#### Measurable Outcome

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

ELA proficiency was 52% for grades 3-5. This dropped 5 points from the previous year.

The goal is to reach 57% B achievement in ELA for grades 3-5.

ELA Gains: dropped 11 points to a 60%. Goal is 71%

ELA L25 gains: increased 5 points to a 64%. Goal is to maintain a 64%.

3rd grade ELA achievement increased 7 points to 50%. Goal is 59%.

Math proficiency was 46% for grades 3-5. This dropped 2 points from the previous year.

The goal is to reach 54% achievement in Math for grades 3-5.

Math Gains: dropped 10 points to a 48%. Goal is 58%.

Math L25 gains: dropped 5 points to a 44%. Goal is 51%.

Science proficiency was 36% for grade 5. This dropped 21 points from the previous year.

The goal is to reach 57% achievement for grade 5 Science.

SWD scored 30% in 2021-2022, 18% in 2022-2023, and 31% in 2023-2024.

Printed: 10/17/2024 Page 25 of 38

Walk throughs

Person Monitoring: By When/Frequency:

Danielle Hudzina Weekly

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Admin will complete walk throughs and observations to ensure fidelity of T1, T2, T3 curriculum implementation for ELA and Math blocks. In addition, Science blocks will be reviewed for fidelity of curriculum implementation as well.

**Action Step #3** 

Collaborative Planning Sessions

Person Monitoring: By When/Frequency:

Danielle Hudzina Weekly

Describe the Action to Be Taken and how the school will monitor the impact of this action step:

Administration and coaches will participate in weekly CP sessions to help create rigorous lesson plans by specifically planning 5 questions utilizing various levels of rigor. When time allows, CP will

#### Student Attendance

## Area of Focus Description and Rationale

Include a description of your Area of Focus for each relevant grade level, how it affects student learning, and a rationale explaining how it was identified as a crucial need from the prior year data reviewed.

KES had 105 students with 10% or more absences in 2023-2024. Students cannot learn if students are not in class. KES dropped from a B to a C and the number of students identified as needing support increased as well. 251 students missed 10 or more days:

K- 51

1st- 48

2nd-39

3rd-37

4th-36

5th-39

When students are absent, they cannot learn. It causes more work on the teacher's part and discourages staff when student scores are low. We need a positive morale to retain staff and build capacity with highly effective teachers.

## **Measurable Outcome**

Include prior year data and state the specific measurable outcome the school plans to achieve for each relevant grade level. This should be a data-based, objective outcome.

Our goal is decrease the number of excessive absences in each grade by 20%:

K- 41

1st-38

2nd-31

3rd-30

4th-29

5th-31

Incentives will be given monthly and quarterly for the grade levels with the highest attendance rates.

## Person responsible for monitoring outcome

Vicky Daly

## **Evidence-based Intervention:**

Describe the evidence-based intervention (practices/programs) being implemented to achieve the measurable outcomes, explain the rationale for selecting this specific strategy, and describe how the identified interventions will be monitored for this Area of Focus (ESEA Section 8101(21)(B)).

## **Description of Intervention #1:**

Incentives will be given monthly and quarterly for the grades with the highest attendance rates. In

to gain insight and advice from parents, staff, and community members. We will have several family events that will be reviewed during the meeting to see if improvements can be made or if additional events can take place. An engagement plan will be created and shared with our families on the KES website and newsletter. Lastly, we have monthly School Advisory Committee (SAC) and Parent/ Teacher Organization (PTO) meetings to increase our family engagement. We share all family engagement information on social media, Remind, PeachJar, and school connect calls. This year we are implementing a community partners wall in the lobby to thank our community donors and sponsors.

yourcharlotteschools.net/kes

## Plans to Strengthen the Academic Program

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part II of the SIP. (ESEA Section 1114(b)(7)ii))

KES will build positive relationships with students. KES has rebooted PBIS, with explicit LEAD expectations, to decrease student behavior which will lead to more instructional time in the classroom. Collective Teacher Efficacy is a top priority; teachers have the ability to positively affect student achievement. The master schedule was built to ensure students have a 90 minute reading block, in addition to tier 2 and 3 times (both for thirty minutes); the math block is 60 minutes, in addition to a thirty minute tiered instruction time to increase student achievement. When students are absent, they cannot learn. It causes more work on the teacher's part and discourages staff when student scores are low. We need a positive morale to retain staff and build capacity with highly effective teachers. We have also create attendance incentives to address this issue.

## How Plan is Developed

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESEA Sections 1114(b)(5) and 1116(e)(4))

Head Start classroom on campus

Ya Ya Back Packs- provides students with a backpack of supplies, each week they provide students a bag of extra food for the weekend.

Harry Chapin- Helps supply our food pantry and our Free Food Friday were anyone can take home food for the weekend.

Champs Cafe- provides all students free breakfast and lunch

Tax Collector's Office- 5th grade students are challenged to design a vanity tag; parents and

## B. Component(s) of the Schoolwide Program Plan

## Components of the Schoolwide Program Plan, as applicable

Include descriptions for any additional, applicable strategies that address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards which may include the following:

## Improving Student's Skills Outside the Academic Subject Areas

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESEA 1114(b)(7)(iii)(I))

This year KES will have an MTSS coach, allowing the school counselor more time to provide mental health services to our students. A comprehensive counseling plan has been developed by the counselor, school psychologist, and social worker to ensure 1-1 services are provided to students. In addition, small group counseling and full class lessons will be offered to students/teachers this year. The mental health team will also publish a mental health tip in the monthly newsletter and will provide the principal with well-being and mental health tips to read on the news weekly as well.

## **Preparing for Postsecondary Opportunities and the Workforce**

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESEA 1114(b)(7)(iii)(II))

CCPS has the 3 E's: enrollment, employment, and enlistment. The elementary school level is excited to see the opportunities provided by CCPS with this initiative.

## **Addressing Problem Behavior and Early Intervening Services**

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. (20 U.S.C. 1400 et seq. and ESEA 1114(b)(7)(iii)(III)).

KES follows the district MTSS/TST plan and has an MTSS coach this year. Child talk is held once a month. The CORE team works with instructional staff to implement tiered supports and document progress.

All 504's and IEP's are implemented with fidelity.

More information can be found on the CCPS website: https://www.yourcharlotteschools.net/domain/4571

## **Professional Learning and Other Activities**

Describe the professional learning and other activities for teachers, paraprofessionals and other school personnel to improve instruction and use of data from academic assessments, and to recruit

Printed: 10/17/2024 Page 34 of 38

and retain effective teachers, particularly in high need subjects. (ESEA section 11149b)(7)(iii(V)).

Professional learning is based on: staff surveys, administrative walk throughs, district initiatives, and student needs. PL already scheduled includes: UFLI (K-2), Testing (K-5), Science (3-5), Math Manipulatives (K-5), PBIS (K-5), PBIS (paras), De-escalation/Behavior Strategies (all staff), Crisis Plan/Safety protocols (all staff), Mental Health (all staff), Marzano/Instructional Framework (K-5), and yearly Vector trainings (all staff).

Targeted PL will be scheduled for the remaining PL and early release days based on further need. The new instructional and evaluation system (Marzano) will be a focus this year since it is new. Currently, KES is fully staffed and will work to retain all staff by providing targeted support and by maintaining a positive environment.

## **Strategies to Assist Preschool Children**

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESEA 1114(b)(7)(iii)(V))

KES currently has one Head Start classroom and one ESE Prek classroom on site. Home visits and open house are utilized to welcome Head Start families. A kindergarten preview night and open house are utilized to welcome ESE prek students. All incoming kindergarten students also received "kindergarten readiness" bags with practice materials and supplies for home and a KES t-shirt.

## VI. ATSI, TSI and CSI Resource Review

This section must be completed if the school is identified as ATSI, TSI or CSI (ESEA Sections 1111(d)(1)(B)(4) and (d)(2)(C) and 1114(b)(6)).

## **Process to Review the Use of Resources**

Describe the process to review the use of resources to meet the identified needs of students.

Resources were verified through the "What Works Clearinghouse" and were also approved by the district.

## **Specifics to Address the Need**

Identify the specific resource(s), rationale (i.e., data) and plan to address the need(s) (i.e., timeline).

Programs include: Small group instruction, SIPPS, QuickReads, Reveal, and SteamReaders. Data will be reviewed weekly at collaborative planning, monthly with the Core team and Instructional Leaders, and adjustments will be made based on data analysis. The PL plan will contantly be updated based on need.
