Sole Source 21/22-XX: Snap-on Diagnostics Tools

Opened: February 11, 2022

The district will recognize Snap-on Diagnostics as the sole provider and distributor of Snap-on diagnostic tools as stated in their sole source letter, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over 100 organizations.

We will continue to recognize this for a period of 1 year, February 11, 2022 – February 10, 2023, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.
