To Whom It May Concern:

This letter confirms your request that School Datebooks, an SDI Innovations company, is the sole source provider of School Datebooks' Foundations Elementary Matrix books. These planners include proprietary content including but not limited to our calendar designs, quote themes, custom add-ons and cover designs. No other vendor creates planners matching these specifications.

Our Foundations Elementary Matrix printed materials are included in the following notice of copyright:

No part of this publication may be reproduced, transmitted, transcribed, stored in any retrieval system or translated in any form by any means without the written permission of School Datebooks, Inc.

We hope this information is helpful. Please contact us if you need clarification on any of the points.

Sincerely,

Jon Sautter  
Director of Marketing
