Re: E-Control Systems, Inc. - Sole Source

Dear Procurement Department:

E-Control Systems, Inc. (ECS) designs, manufactures, and owns each part of our temperature monitoring solution (hardware, firmware, and FusionLive™ Software) and is the sole provider for our complete temperature monitoring system, including: IntelliSense™, IntelliCheck™, IntelliDiagnostics™, IntelliCheck:IT™, FusionLive™ Software, Hosting, and Support.

Our Patented Intelligent sensors (U.S. Patent No. 9,064,395) are capable of monitoring up to 4 points per sensor including temperature and doors. ECS also has the unique distinction of being the only company in our industry to include a complete Asset Management and Preventative Maintenance module as a standard feature in our software as well as a mobile app, as well as provide a free App for smartphones/tablets.

Charlotte County Public Schools has been utilizing our temperature monitoring of the refrigerated cabinets, as well as utilizing our FusionLive software, and asset management/preventative maintenance module. ECS is the sole source for providing the hardware, software, and support for the current
