To Whom It May Concern:

This letter is to confirm that the IXL Service (offered through www.ixl.com) is a single source product, sold by IXL Learning, Inc. ("IXL") of San Mateo, California. The IXL Service was created by and is owned by IXL. The IXL Service has legal protections that prevent others from providing the IXL Service without IXL's permission (including copyright and trade secret). Educational institutions must purchase the IXL Service directly from IXL Learning. There are no agents or dealers authorized to sell the IXL Service to educational institutions.

IXL provides a leading online program for mathematics, language arts, science, social studies, and Spanish. The IXL Service features practically unlimited, algorithmically generated questions in thousands of topics, as well as insightful reporting and data analysis through IXL Analytics. It is available at the published price of \$299.00 for a single subject per classroom of 25 or fewer students, which includes student access from school, home, or other Internet-enabled location. Discounts are available when purchasing multiple subjects, or for schools and districts that obtain site li_
