

Sole Source Affidavit

To whom it may concern:

MobyMax Education, LLC is the publisher and sole source provider of MobyMax software, including all products and services listed on the mobymax.com website.

MobyMax is a supplemental online curriculum resource for math, ELA, science, and social studies, including state standards-aligned content for grades K-8. The program features adaptive and differentiated independent learning, formative and summative assessment, progress monitoring, and a variety of blended learning features for whole-group and small-group instruction.

Sncerely,

John Jennings Head of Business Development | MobyMax
