Sole Source 21/22-CCC: iSafe Direct and DC4

Opened: March 30, 2022

The district will recognize iSafe Enterprises as the sole provider of iSafe Direct and DC4 as stated in their sole source letter, as a result of no contests being submitted during this Sole Source. This Sole Source was broadcast nationwide to over 740 organizations.

We will continue to recognize this for a period of 1 year, March 30, 2022 through March 29, 2023, at which time we will again verify this claim and post another Sole Source for those who may wish to challenge.

A handwritten signature in black ink, appearing to read "D. Segur", is written over a dark, textured background.
