- : This is a comparative of The first varieties of the These continuous articles you that it takes effort and will be held to a standard Keep this inmind. It is chewhen I collect it. Late hone work will not be accepted. Read the previous sentence again.
- : If you are absert it is your espansibility to find at what your issed. Asking meforthis information during dass time is acceptable. Please conclude or after class. So do do plicy states that you only have two days to make up work for every one day you are absent. This includes tests and quizzes. Long term projects will be due the first day the student returns to so do dater an absence. All make up tests must be done before or after school.
- YouMUST hadyour pepers with name, period and assignment title. Failure to do so will result in a tempoint penelty on the assignment. Illegible work will be graded as a zero. Please write legibly.
- Notalking during notes, lectures, or novies. . even if it is about the subject. Notalking when
 I mtalking . . I do not erjoy explaining stuff repeatedly! Also all speech inclass will be respectful and
 fixed profarity. No potty nouths!!!
- : This is simple Donot deat. If it is questionable, it is probably deating. ALL work that I assign is to be completed in ivideally. Any ore caught deating will receive a zero for the assignment and their work will be heavily southing differ the remainder of the course. I have no to deaters.

I don't believe that these rules are uneasonable in any way, more blimble in particularly difficult to follow zero for a M
